

READING FEATURING KATHRIN BURLESON

OCTOBER 6, 2017 // 5:30PM-7PM

Forward Movement invites you to a reading and signing event featuring artist Kathrin Burleson. Forward Movement and Kathrin have collaborated to create *For the Beauty of the Earth: Daily Devotions Exploring Creation*. This book features reflections written by voices across the Episcopal Church, accompanied by Kathrin's beautiful artwork. At this event, several local contributors will share their reflections, Kathrin will talk about her art, participants can purchase a signed copy of the book, and there will be an opportunity to speak with the artist and contributors.
